

Dear Friends and Family,

On behalf of myself, my family and the Rod 'N' Reel Resort, I wanted to personally reach out to you regarding the current COVID-19 pandemic. Effective 5 pm today, March 16, 2020, our dining room, bar, spa, bingo, game rooms, tackle shop and marinas will be closed until further notice. Our hotel will remain open. The Rod 'N' Reel Restaurant will be offering a carry out menu available daily from 11 am to 9 pm.

We strongly value our employees and guests and the contributions they make in our community. We continue to encourage everyone to follow the guidelines established by the CDC and our state of Maryland to protect themselves, loved ones and families to reduce health risks.

The health and safety of our employees and guests is our top priority. Rod 'N' Reel Resort employees will be paid in full for the next two-weeks, which will not affect employee benefits or paid time off.

As a local family owned and operated business for almost 75 years, we have a strong allegiance to each other, our neighbors and our community and especially in uncertain times like these, we must be there for one another. The effects of this situation will be far reaching and in response we all need to think sensibly and empathetically.

From my family to yours, please stay safe. We will work through this together.

Sincerely,

Gerald W. Donovan
